

## Improve **SAFETY** and **EFFICIENCY** Upgrade Your Sliding Door System

### Upgrade Features and Benefits

- Upgrade your old system to **increase performance and decrease liability**
- Minimize your service calls significantly while **maximizing pedestrian safety**
- Self-monitoring sensors and/or control will **meet upcoming ANSI A156.10 standard revisions**
- New equipment will be covered under a one-year warranty **eliminating frustration and lowering cost**

# Upgrade Program

With upcoming changes to the ANSI A156.10 standard, now is the time to upgrade your automatic sliding door and realize the benefits of your investment immediately. By implementing NABCO's upgrade program, you will reduce your overall liability, lower service costs and extend the life of your equipment. Now is the time to act!

## Upgrade Program Offerings

Whatever your upgrade need, NABCO has you covered with three upgrade levels ranging from sensors only, to a complete system overhaul. Talk to your knowledgeable NABCO representative to see which program most fits your needs.
