Who is the technical contact?  
Mike Buckley

## Termination of U19 Replacement Program as per Bulletin 43

Effective immediately Nabco Entrances will discontinue the U19 replacement program as outlined in Bulletin # 43 dated May 15, 2009.

It has been three years since we began offering free replacements on any U19 controls that qualified under this program and since then many distributors have taken advantage of the opportunity. We will continue to honor all in-house orders until closing October 17th. We will also continue to offer rebuilt U19 controls based on qualifying core returns.

Please note that we also offer retrofit kits for earlier GT1175 sliders for upgrading to our current U30 drive train. The part numbers for the GT1175 retrofit kits are listed below. Kits for other makes and models are also available. Refer to section J1 in our price binder for more information.

U30 / DS150 RETROFIT KITS FOR GT1175 SLIDERS	
PART #	DESCRIPTION
12-11969-01	GYRO TECH GT1175 SINGLE
12-11969-02	GYRO TECH GT1175 BIPART

Bulletin Number: **58**
